Andreas Kreiseder

- working 11 years at NI
- Founding of Kreiseder IT Services
 - May 2021
- Focus on Training / Consulting

Our motto.
Experience and knowledge transfer

Training

We offer effective training on many topics in flexible formats.

Format:

Onsite

Hotel

Online

Topics:

LabVIEW

TestStand

DIAdem

Python

MATLAB

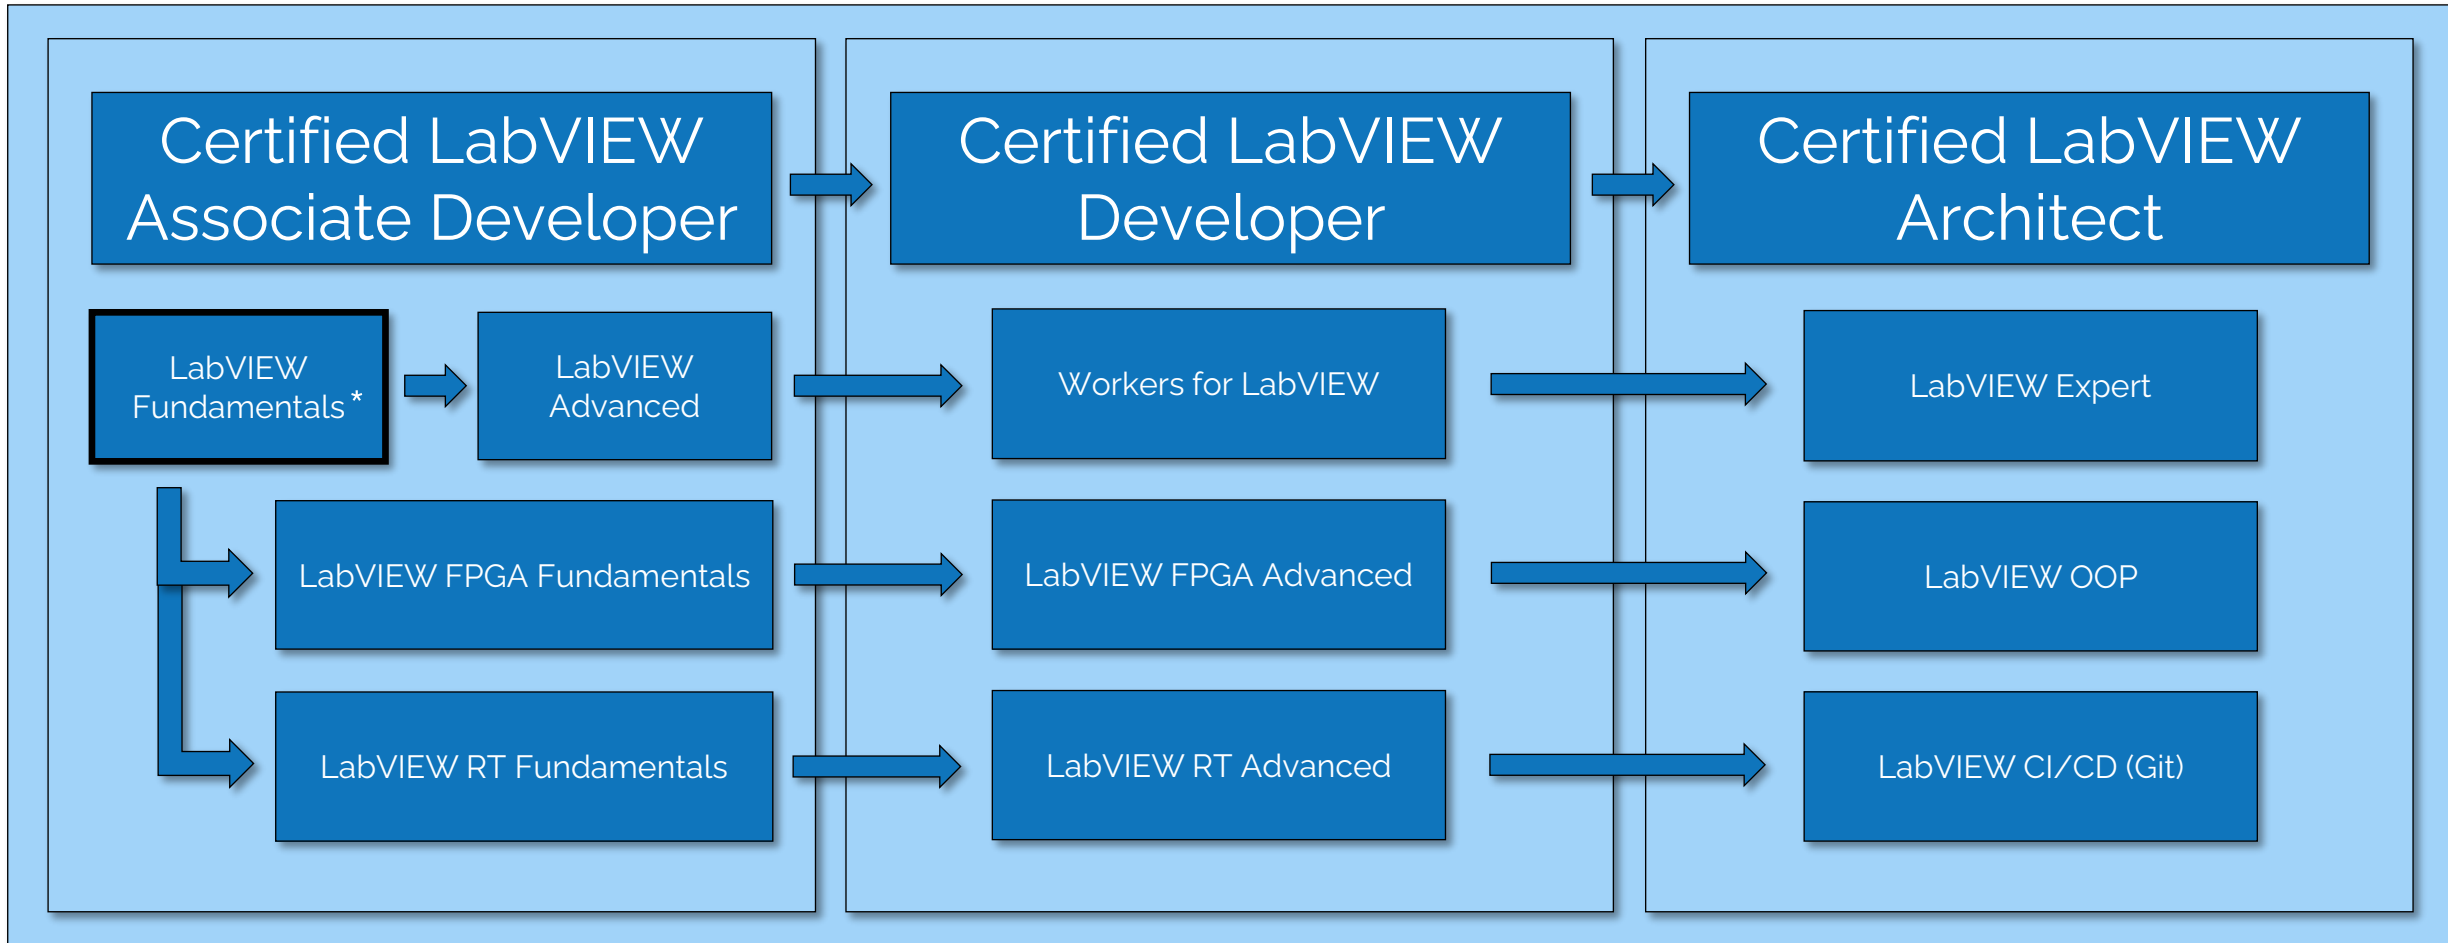

C#

PXI

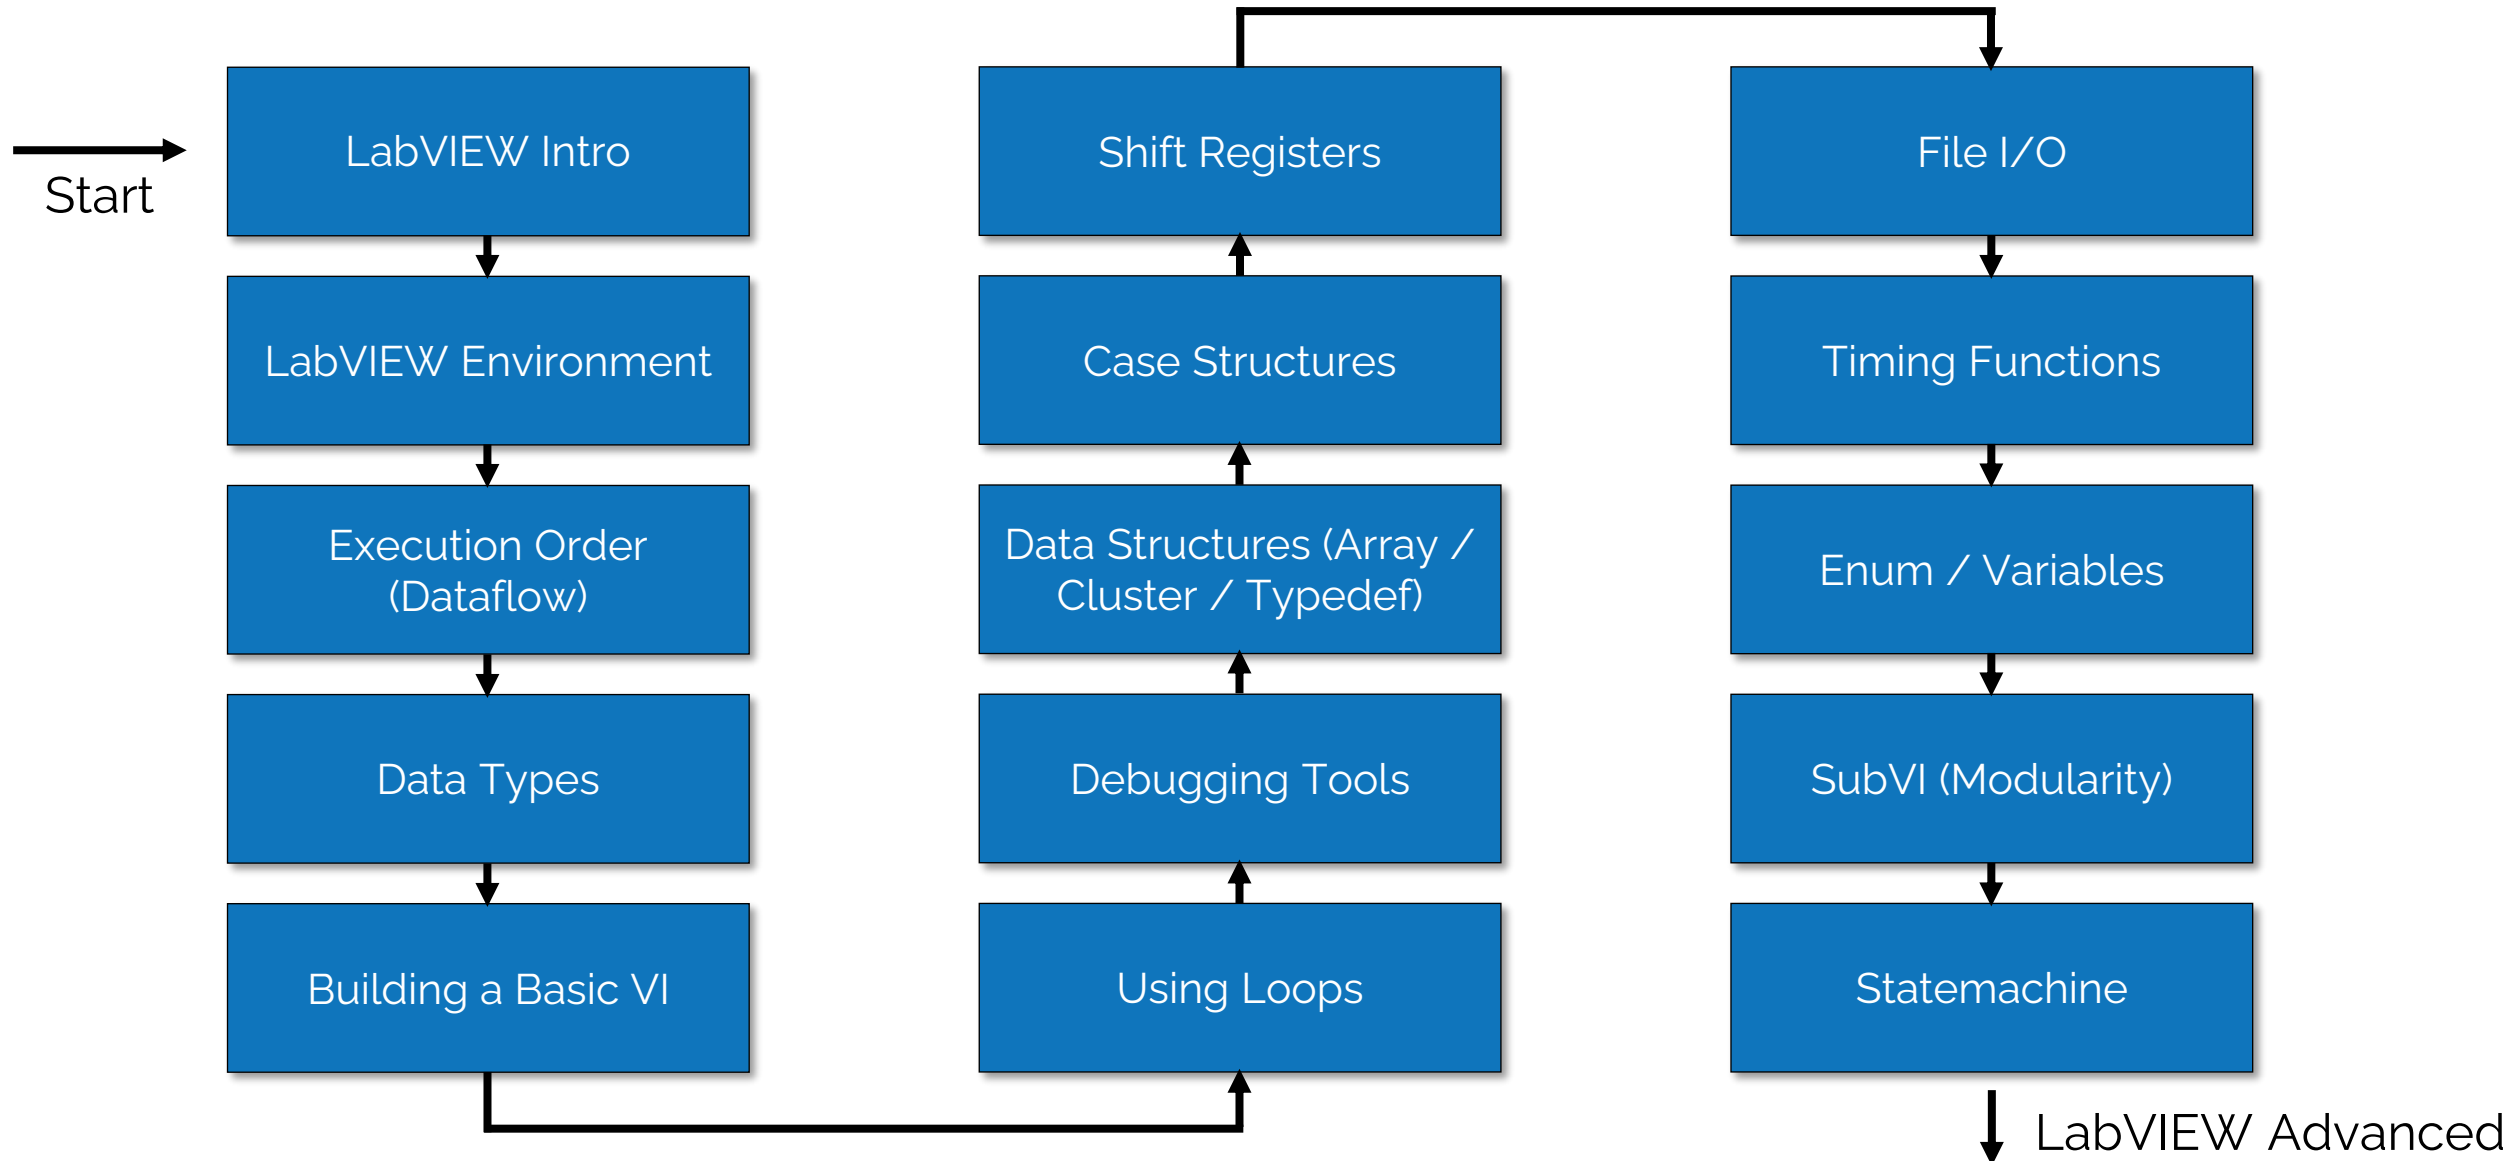

CompactRIO

DAQ

LabVIEW Trainings – learning path

LabVIEW Fundamentals – Course Content

Consulting

We support you in planning your software architecture, as well as in reviews of existing applications on-site or online.

This enables an effective start for your projects.
Continuous code reviews ensure a high quality of code.

Architecture Planning

Code Review

Startup / Upgrade /
Migration Assistance

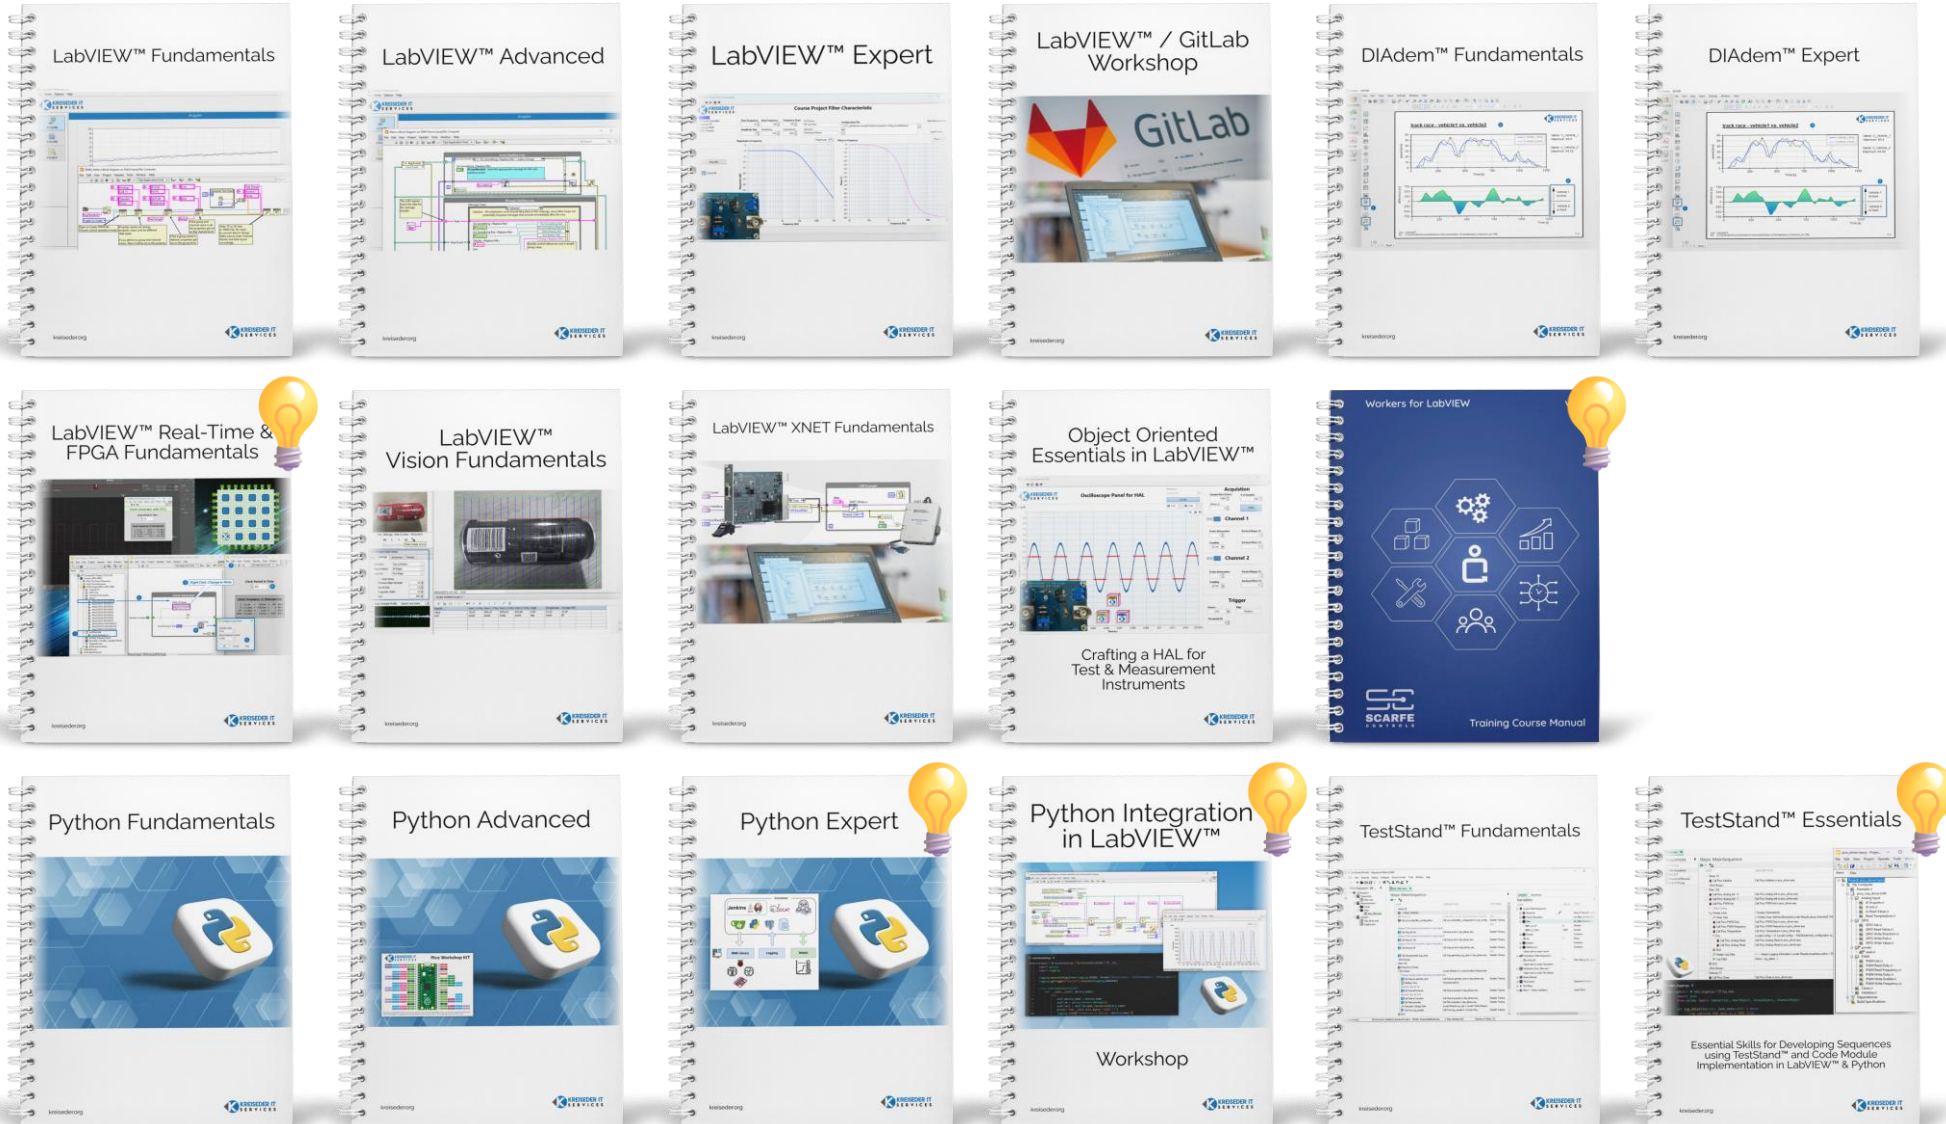

- Onsite and Online
- Ranging from half-days to multiple days

Available Trainings

- LabVIEW Fundamentals (3 days)
 - LabVIEW Advanced (2 days)
 - LabVIEW Expert (3 days)
 - **Workers for LabVIEW (2 days)**
 - LabVIEW Vision Fundamentals (3 days)
 - TestStand Fundamentals (2 days)
 - **TestStand Essentials (+LabVIEW +Python) (3 days)**
 - Python Fundamentals (2 days)
 - Python Advanced (2 days)
 - **Python Expert (2 days)**
 - LabVIEW Best Practices (2 days)
 - Gitlab Workshop (CI/CD) (2 days)
 - LabVIEW XNET (CAN/LIN)+DAQmx (2 days)
 - DIAdem Fundamentals (2 days)
 - DIAdem Expert (2 days)
 - **LabVIEW Real-Time & FPGA Fundamentals (3 days)**
 - Object Oriented Fundamentals in LabVIEW (2 days)
-
- Public Trainings: <https://kreiseder.org/trainings>
 - Private classroom or online trainings can also be offered as mixed content.

Available Trainings

Partners, friends, and companions.

Certified Training Partner for Workers for LabVIEW

Kreiseder IT Services is the first Certified Training Partner for Workers for LabVIEW, offering official courses, hands-on training, and tailored workshops across the globe.

Cooperation

Great news - Walter Rick is joining our team as an expert on DIAdem topics! Benefit from his many years of practical experience in our training and consulting. We look forward to a successful collaboration with Walter Rick.

The graphic features a blue background with a geometric pattern of hexagons. On the left, the Kreider IT Services logo is displayed, consisting of a stylized 'K' inside a blue circle followed by the text 'KREIDER IT SERVICES'. Below the logo is a portrait of a man with glasses and a beard, wearing a dark suit jacket over a light blue shirt. In the center, the text 'Training Alliance' is written in a large, bold, black font. To the right of this text is a portrait of Walter Rick, a man with glasses wearing a blue and white checkered shirt. Below his portrait is the text 'Walter Rick' in a large, blue, sans-serif font, with 'DIAdem - Training und Consulting' in a smaller, blue, sans-serif font underneath.

Exciting news for engineers and scientists in Switzerland! We are pleased to announce that in cooperation with Herzog Engineering, we now offer our proven in-person training sessions in Switzerland as well. Experience practical training and further education in LabVIEW™, Python, DIAdem™, NI TestStand™, and more. We are looking forward to a great collaboration.

The graphic features a blue and white geometric background. In the top left, the **KREIDER IT SERVICES** logo is displayed. Below it is a portrait of a man with glasses and a beard, wearing a dark suit jacket over a light blue shirt. In the center, the text **Training Alliance** is written in a large, bold, black font. To the right of this text is a portrait of a smiling man with short dark hair, wearing a dark blue button-down shirt. In the bottom right corner, the **HERZOG ENGINEERING** logo is shown in a bold, black, sans-serif font.

Great News for all Test Engineers and Scientists in the UK! Thetic Engineering Ltd. and Kreiseder IT Services are now also delivering their targeted and highly effective classroom training in the UK. Learn NI LabVIEW™, TestStand™, Python and more from 5-star instructors with 12+ years of experience interfacing with test equipment. Also available online.

The graphic features a split background with a dark red left side and a light blue right side. On the red side, the word "thetic" is written in white lowercase letters. Below it is a black and white portrait of a man with a beard. On the blue side, there is a color portrait of a man with glasses. The text "Training Alliance" is centered in the middle. At the bottom right, the Kreiseder IT Services logo is displayed, consisting of a stylized 'K' in a circle followed by the company name.
